Shackleton/HOU/ECT@ECT cc: Subject: Re: geofabrik I just wanted to let you know that I spoke to Chase and they (mistakenly) agreed to fix the notice problem (the ECT-Ruhrgas) we have been having amongst our D&B listings. However, it is still not clear to me what we need to do for the other notice problem that arose in the recent transfer of the business. I received a fax from Lisa Guthrie confirming receipt of our fax dated 7/23 but I have been unable to receive a response from our other assignee (Vitol) nor any notice of any type on our D&B listing.
